The Town Manager presented a PowerPoint presentation on the measures taken this summer to mitigate the cut thru traffic and sought further direction from Council on additional measures, if any. [PowerPoint attached as Exhibit B] He suggested consideration of additional temporary seasonal measures; Hickory blocked at East Dogwood or Hillcrest and block East Dogwood median at Hillcrest, Sea Oats and Wax Myrtle.

Mayor Bennett stated these additional closures would impact our residents directly. They could not get home by regular routes.

Councilman Conners stated the northern streets are having the biggest issue this year.

Councilman Neal stated he would like to try the barricades along the medians but during specific times, not all day. He further stated he was fine with blocking Hickory Trail if the residents agreed.

Public Hearing-ZTA 21-02 Eaves

At the March 2, 2021 Town Council meeting, the Town Council instructed Town Staff to take valuable elements out of the adoption draft of the Town Code Update written by CodeWright for review by the Planning Board and the Town Council for future consideration. The proposed amendments to Section 36-57, Definition of Specific Terms and Words are a result of direction from the Planning Board at the March 15, 2021 Planning Board meeting. The proposed amendments allow the outermost three feet of eaves to encroach yard (setback) requirements on all sides of a structure instead of only from the building setback line (front setback).

Town Attorney Gallop opened the public hearing and called for comment, the following citizen spoke:
Monte Lorell-#14 Thirteenth Ave- having eaves all around the structure has become the norm, but when a property is built up to the setback line is when it becomes an issue. Two side by side properties with eaves is very close to one another.

Town Attorney Gallop closed the public hearing.

Councilman Conners asked what was driving this amendment. Planning Director Haskett stated it originated during the Town code update and the Planning Board brought it forward.

Mayor pro tem Morey stated the Planning Board is trying to reduce inconsistency with planning review.

Councilman Neal stated he appreciated the intent of the consistency but would like to figure another way.

Councilman Neal stated we can still clarify without restricting; amend the language for yard.

Motion made by Councilman Conners to table ZTA-21-02 to a later date. Motion withdrawn.

Motion made by Councilman Conners to approve ZTA-21-02. Motion withdrawn.

Public Hearing-TCA 21-05 NCGS 160D Update

The agenda summary read as follows, In 2019, the N.C. General Assembly enacted North Carolina General Statutes Chapter 160D, Local Planning and Development Regulation, which consolidated and clarified former Chapters 160A and 153A that addressed development regulations for Municipalities and Counties. The Chapter became effective January 1, 2021 with the requirement that all Municipalities and Counties update their ordinances to be compliant with it by July 1, 2021. Due to the Town Code Update project, Town Staff chose to postpone amending the Town Code to be compliant with Chapter 160D until the amendments from the Town Code Update project are complete.

As a result of that postponement, the Town Attorney has prepared language in the form of a Town Code Amendment (TCA) that clarifies that the North Carolina General Statutes (in particular Chapter 160D) must be satisfied whenever the Town Code conflicts with, contradicts or is otherwise inconsistent with the North Carolina General Statutes. The intent of the proposed language is to clarify that although the Town has not yet

amended the Town Code to be compliant with Chapter 160D, its provisions will still be followed when applicable.

Town Attorney Gallop opened the public hearing. Hearing no one wishing to comment, he closed the public hearing.

Town Attorney Gallop stated this is mostly procedural changes, you can only do what the NC General Assembly tells you can do.

Motion made by Council Member Neal to pass TCA-21-05 (160D Update), Seconded by Council Member Holland. Motion passed unanimously (5-0).

Voting Yea: Mayor Bennett, Mayor pro tem Morey, Council Member Conners, Council Member Holland, Council Member Neal

Public Hearing- ZTA-21-07 Lot Access Requirements

Mayor Bennett proposed no action be taken on ZTA-21-07 lot access requirements, based on discussions with the Town Planner. **Council agreed by consensus.**

Public Hearing-ZTA 21-05 Use & Occupancy

Planning Director Haskett provide the staff report and stated this was a housekeeping item.

At the April 19, 2021 Planning Board meeting, the Board unanimously recommended approval of ZTA-21-04 (Prohibited Uses) with amendments to the Town Council. At the May 4, 2021 Town Council meeting, the Town Council unanimously adopted ZTA-21-04. Following Council adoption, Town Staff determined that Section 36-89 should have been included in ZTA-21-04 to establish that permitted, conditional, and prohibited uses can be found in Article VII, Schedule of District Regulations and to remove the requirement that any use not specifically designated as a permitted or conditional use shall be deemed to be prohibited.

Town Attorney Gallop opened the public hearing, hearing no one wishing to speak he closed the hearing.

Motion made by Council Member Holland to approve ZTA-21-05 Use & Occupancy, Seconded by Council Member Neal. Motion passed unanimously (5-0).

Voting Yea: Mayor Bennett, Mayor pro tem Morey, Council Member Conners, Council Member Holland, Council Member Neal

Public Hearing - ZTA-21-06 Temporary Healthcare Structures

The proposed amendments to Section 36-168, Temporary Uses are a result of State Law changes from S.L. 2014-94 which establishes temporary family health care structures as permitted accessory uses in any single-family residential zoning district on lots zoned for single-family detached dwellings. The Planning Board recommended approval of Part II of ZTA-21-02 (Temporary Family Health Care Structures) with amendments at the April 19, 2021 Planning Board meeting. As requested by Town

Staff, Council tabled its consideration of Part II of ZTA-21-02 at the May 4, 2021 Town Council meeting so that the Town Attorney could review and comment on the proposed language. Following his review, the Town Attorney provided comment as well as revised language for consideration.

Town Attorney Gallop opened the public hearing, hearing no one wishing to speak he closed the public hearing.

Councilman Holland asked what is the length of temporary? Planning Director Haskett stated the permit would be for one-year increments.

Mayor pro tem Morey stated the temporary nature of this, there is a fee involved (page 46 section E) *applicants shall provide evidence of compliance on an annual basis*, what is the Town's liability that those applicants come to us on an annual basis with evidence of compliance? Town Attorney Gallop stated it is no different than any other zoning violation and the duty falls on the applicant.

Motion made by Mayor Bennett to approve ZTA-21-06, Seconded by Mayor pro tem Morey. Motion passed unanimously (5-0).

TOWN OF SOUTHERN SHORES PURCHASING AND BID REQUIREMENTS POLICY

This purchasing and bid requirements policy is intended to serve as a guide for all departments in obtaining supplies, materials, equipment, apparatus, and services. The Town of Southern Shores' purchasing, and bidding program is based on the principal of competitive bidding. A valid reason must be provided and documented when competitive bidding is not sought and obtained. The practice of favoritism, whether to the seller or the user department, is not permissible.

The Town's purchasing and bidding requirements are governed by North Carolina General Statutes and, therefore, must seek competitive offers from qualified sources of supply unless the items can be obtained through existing contracts established by NC State Purchasing and Contracts Division. Whenever possible, the Town of Southern Shores participates in the NC State Contracts. The Town's local purchasing and bidding requirements may cite provisions which are stricter in policy thresholds than the requirements of the applicable North Carolina General Statutes. Purchases may also be made utilizing Sourcewell or the North Carolina Sherriff's Associations' Vehicle and Motorcycle Procurement Program in accordance with G.S. 143-129(e)(3).

The Finance Officer relies on the Department Heads to fully identify their needs, obtain competitive pricing, and exercise sound and legal purchasing and contracting practices. Department Heads are responsible for communicating their needs to the Finance Officer on a timely basis in order to obtain the correct items at the best possible price.

Any and all purchases and contracts that are made on behalf of the Town of Southern Shores must be for the use of the Town. Such purchases can only be made if an appropriation has been set up in the approved annual budget.

A purchase order is needed for services, materials, supplies and equipment purchased that exceed \$250.00. The amount for shipping and handling along with sales tax should be included on the purchase order. The Finance Officer may not validate any purchase order unless sufficient unencumbered funds are available to pay at the time of purchase. A properly signed purchase order must **precede** the purchase. No invoice will be honored if the purchase order has not been issued and signed by the appropriate Department Head and Finance Officer. The purchase orders will be pre-numbered for control purposes and should include descriptions of the items being purchased. Unauthorized purchases are classified as a personal expense, and therefore, will be paid by the employee. In the event that the Finance Officer is not available, the purchase order can be signed by both the Department Head and the Town Manager.

The following steps must be taken:

1. All Department Heads will read and understand this policy;
2. All employees involved in the purchasing process will become familiar with the procedures outlined in this policy;
3. This policy will be kept where it is easily accessible for reference;
4. All comments or clarifications of contents contained in this policy will be directed to the Town Manager or the Finance Officer.

GENERAL RULES AND PROCEDURES FOR PURCHASING AND BIDDING

Note: all obligations evidenced by a contract or agreement, regardless of amount, must be certified as pre-audited by the Finance Officer.

Purchases of \$250.00 to \$29,999.99

All purchases between \$250.00 and \$29,999.99 (individually or in total) must be made with the use of a purchase order. The department wishing to make the purchase will prepare a purchase order and present it to the Finance Officer for approval. Town Council has given authority to the Town Manager to approve all contracts/purchases up to a maximum of \$29,999.99.

Informal Bidding Process

For all purchases, lease-purchases, and contracts above \$29,999.99 and below the state mandated thresholds for formal bidding prescribed by NCGS § 143-129, informal bids must be obtained. Only written informal proposals will be accepted. The purpose of public bidding is to obtain the best value for tax dollars, to provide fairness in contracting and prevent favoritism. Contracts will be awarded to the lowest responsible bidder, taking into consideration quality, performance and time. A Bid Form will be used for this process. Three (3) written proposals will be sought during the bidding process. In cases where available or appropriate vendors are limited, every effort will be made to obtain bids from at least two (2) vendors. In cases where the item or service is available from a single source, this information must be noted on the Bid Form. For any purchase, lease-purchase or contract cost not previously authorized by the Council in an annual budget appropriation, the Town Council must authorize the award of all bids over \$29,999.99. The Finance Officer will issue a purchase order to the chosen vendor and the Department Head will proceed with the purchase. The Town Manager is authorized to award a contract to the lowest qualified responsible and responsive bidder for Council-authorized capital street improvement projects. As a post-award information item, the bid tally sheet for each awarded contract (for capital street improvement projects) is to be reported to the Council at its next meeting in order that it becomes a part of that meeting's record.

Formal Bidding Process

Expenditure of funds totaling or exceeding the state mandated thresholds for formal bidding prescribed by NCGS § 143-129, either for the purchase of apparatus, supplies,

materials and equipment, or for construction or repair work, are required to be handled by the Formal Bid Process, and the bonding requirements of NCGS §44A-26 shall apply.

Note: Performance and payment bonds are required for contracts costing more than \$50,000 that are part of a project costing more than \$300,000.

The advertisement for bidders required by this section shall appear at a time where at least seven (7) full days shall lapse between the date on which the notice appears and the date of the opening of bids. The advertisement shall: (i) state the time and place where plans and specifications of proposed work or a complete description of the apparatus, supplies, materials, or equipment may be had; (ii) state the time and place for opening of the proposals; and (iii) reserve to the board or governing body the right to reject any or all proposals.

Purchases not requiring a Purchase Order

The following purchases do not require a purchase order:

- A. Advertising;
- B. Dues;
- C. Utilities;
- D. Insurance;
- E. Postage;
- F. Professional services for accounting, legal, engineering, etc. that are covered by a separate approved contract;
- G. Purchases less than \$250.00.
- H. Purchases obligated by written contract or agreement (These written obligations require Finance Officer certification, regardless of amount).

Emergency Purchases

An emergency is defined as a sudden, urgent, usually unexpected occurrence or occasion requiring immediate action. When an emergency does arise, and can be rectified only by immediate purchase or rental of equipment, supplies, materials or services, the following procedures must be followed:

- A. Secure a purchase order from the Finance Officer or the Town Manager. If the emergency occurs when offices are closed, the department should proceed to acquire only the materials of services necessary to meet the emergency;
- B. On the next working day, the Department Head must submit a requisition to the Finance Officer with the following information:
 - 1. Nature of the Emergency;
 - 2. Itemized list of purchases made;
 - 3. Cost per item;
 - 4. Vendor's name and address;
 - 5. Account Number
 - 6. Authorizing signature of the Department Head
 - 7. Purchase Order Number – if one was given.

- C. The Finance Officer will prepare a confirming purchase order and send the requesting department a copy of the purchase order. The employee receiving the requested items should verify that the purchase order information is correct. The employee should also make sure that the vendor knows who to invoice and the correct address for billing. All invoices should be made out to the appropriate Town Department. Failure to make sure this information is passed on to the vendor could result in the misplacement of the invoice, causing late payment on the invoice and loss of any possible discount. No emergency purchase orders will be given unless it is an emergency as described above. North Carolina General Statutes govern this procedure. Written approval for disallowed emergency purchases will have to be obtained from the Town Manager, with overall approval resting with the Town Council.

Telephone Purchase Order Procedures

In certain emergency or special situations, the Finance Officer will issue a purchase order number over the telephone to the requesting department. In such cases, the requesting department will be required to submit a supporting requisition to the Finance Officer the next business day. The requisition is to include the vendor, complete item description, quantity, price, and the purchase order number that was issued.

Credit Cards

The credit cards are kept under the control of the Finance Officer and should be signed out by the employee and returned to the Finance Officer once the purchase is completed. All purchases in excess of \$100.00 made with the Town credit card must be preceded with a purchase order. When traveling out of town for training purposes, the employee **may** use the credit card for hotel stays and for the purchase of fuel **only**, providing that pre-approval **is obtained** from the Town Manager or the Finance Officer. A purchase order must be filled out immediately upon return. **A cash advance may be issued for the employee's cost of meals while out of town for training. Prior to departure, the employee may fill out a travel advance request form**, and a check will be issued to the employee for the amount of per diem **meal costs** as stated on the website at <http://www.gsa.gov/portal/content/104877> for the length of their stay and as outlined in the Town's travel policy. The employee is not authorized to pay for meals on the Town credit card, unless specifically authorized by the Town Manager. The Department Head must approve purchases. Unauthorized purchases are a violation of this policy. If proper procedures are not followed, the employee may be personally liable for the payment.

Uniform Guidance Procurement Standards

The Town and its subrecipients are subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Rules) codified at 2 C.F.R. part 200. Contracts funded with federal grant funds shall be procured in a manner that is in compliance with all applicable Federal laws, policies, and standards as well as state and local policies. All local policies and applicable state laws will be followed except to the extent that federal requirements are more restrictive than local

policies and state law. If there is an overlap, and none of the rules are more restrictive, the federal rules will apply.

Conflict of Interest

In accordance with Federal Law 2C.F.R. 200.318, officers, employees, agents of the Town, as well as the Town’s subrecipients, spouses, immediate family members, partners, and current or soon-to-be employers are prohibited from receiving a real or apparent financial or other interest or personal tangible benefit from the contract. Conflict of interest violations include loss of federal funds, disciplinary action, and/or other remedies for noncompliance listed at Federal Law C.F.R. 200.338.

Gift Ban

In accordance with Federal Law 2 C.F.R 200.318, all officers, employees, and agents of recipients and subrecipients are prohibited from receiving gifts from current or future contractors or vendors, excluding unsolicited gifts of nominal value. Violations include loss of federal funds, disciplinary action, and/or other remedies for noncompliance listed at 2 C.F.R. 200.338.
